In accordance with your request I have checked into the status of bids for the relocation of the fence adjacent to Temporary Buildings I, J, K and L, and find that the time limit which we can hold the contractor to his bid has expired.

After checking with the Office of the Superintendent of National Capital Parks, I find that that office is still opposed to the granting of a permit for the project.

It is my understanding that our office will no longer attempt to keep the job open and if in the future a permit can be obtained, it will be necessary to readvertise the work.

Very truly yours,
